This declaration applies to all colour and size variants of the listed styles.

Compliance Statement: This declaration of conformity is issued under the sole responsibility of Castle Clothing Ltd, as the responsible importer and distributor in the United Kingdom. The above-mentioned products comply with the requirements of the following regulations and standards:

- General Product Safety:**
 - The General Product Safety Regulations 2005 (UK)** Ensures that all consumer products placed on the UK market are safe under normal and foreseeable use.
- Textile Labelling Regulations:**
 - The Textile Products (Labelling and Fibre Composition) Regulations 2012** Ensures accurate labelling of textile fibre composition and prevents misleading claims.
- Chemical Safety Compliance:**
 - UK REACH Regulation (Registration, Evaluation, Authorisation & Restriction of Chemicals)** Ensures compliance with chemical safety limits, including bans on hazardous substances such as Azo dyes and formaldehyde.
- Children's Clothing Safety (If Applicable):**
 - BS EN 14682:2007 – Safety of Children's Clothing** Restricts the use of cords and drawstrings to prevent strangulation or entanglement hazards.

Additional Notes:

- The manufacturer maintains all relevant safety documentation, test reports, and traceability records.
- This declaration is valid unless superseded by a new version issued by Castle Clothing Ltd.

Signed for and on behalf of Castle Clothing Ltd:

Rob Ansell, Managing Director
